read this book before you sign your next contract  
dr kirsty bunting senior lecturer at manchester metropolitan university  
s manchester writing school are you an unagented novelist managing your own writing career  
have you written a book and don t know where to start with getting a publisher  
have you been offered publishing contract and need to check it s legitimate one  
this book will help you

understand copyright get some insight into the publishing process learn what to look for in a publishing contract and save money by asking the right questions when talking to lawyers know what to expect when dealing with agents and publishers i have worked in the intellectual property ip and licensing sector for over a decade i m also a novelist and creative writing mentor over the years i ve answered a lot of questions from authors who are at the start of their traditional publishing careers many writers find the business of licensing ip confusing and contracts impenetrable often even when they seek legal advice they aren t given a context in which to interpret this advice this easy to read guide will demystify your publishing options and give you the tools you need to take charge of your author career this enjoyable and informative book is essential reading it will help you decide which publishing model works for you and will explain how to get the most value out of the writing that you spent so much time and effort on emma byrne author of swearing is good for you and how to build a human written in a lovely friendly style that made the information easy to understand and absorb amazon review chapter 1 becoming a professional writer balancing craft and money chapter 2 intellectual property other people s copyright what is ip copyright what does this actually mean for your author business what is not covered by copyright works in the public domain trademarks chapter 3 slicing up ip your work is more than the one thing you wrote chapter 4 contracts reading contracts notes for the bewildered common sections you d expect to see in a publisher contract how do authors get paid tax chapter 5 publishing pathways chapter 6 traditional publishers the big five small publishers unbound what does a publisher do for you who is involved things to consider when you re talking to a publisher so should you sign that publishing contract that you ve been offered red flags manage your expectations chapter 7 vanity publishers paying for production services book production companies red flags chapter 8 self publishing aka independent indie publishing manage your expectations red flags chapter 9 working with an agent what does an agent do for you do you need an agent manage your expectations red flags the very basics of submitting to agents chapter 10 branding and pen names what is a brand pen name s are part of your brand pros and cons chapter 11 self promotion websites social media useful skills to learn for a professional author chapter 12 alternative sources of income until you have your big hit talks and seminars bonus money from your existing books chapter 13 it ll be okay keep writing chapter 14 resource list

there has never been a better time to be a freelance writer than now not only are you able to write articles and content that appear in newspapers and magazines for money but there are also numerous opportunities to write content that will appear on the web websites are always looking for good writers to write their content and companies constantly advertise for writing jobs another great and increasingly popular way to make money online is by selling ebooks the greatest thing about selling ebooks online is that you create the opportunity to generate a steady revenue the internet has vast amounts of information ask yourself the number of times you browse the web in search for information while there is a lot of convenience associated with gaining access to so much information there is a downside to it how can you separate the good from the bad how are you able to find the specific pieces of information you want and how will you be able to find thorough and detailed information instead of general information that the internet generally provides ebooks can be a possible answer ebooks contain information that is detailed and well organized about particular topics an ebook tends to dwell on the details of that particular niche for example if you look on the internet for football scholarships you could come across several websites on the topic but you could save yourself time and energy if you were to download a document that contained all the information laid out efficiently for you if you are an entrepreneur you could make money writing and selling ebooks on a variety of topics it also doesn't require a lot of time to do so so let's get started

this 165 page international study looks closely at how academic libraries are using ebooks it helps librarians to answer questions such as how fast is ebook spending growing which ebook purchasing models are growing fastest subscription models that allow unlimited access pay per view models outright ownership other models what percentage of ebook purchases are through consortia what percentage direct from publishers what percentage through aggregators the report also gives detailed data on spending on various major players such as overdrive ebrary ebSCO Baker Taylor EBL and many others it's particularly rich on data about ebook purchases from academic presses the study also looks at the growth of tablet computing in academic libraries at the use of ebooks in course reserve at purchases of eDirectories and eTextbooks and other issues in academic library ebook purchasing and deployment
