now in a fully updated and revised edition this concise and engaging text introduces global politics and international relations with an emphasis on the social individual using practical examples as well as theory the authors show students how they can take charge of their lives and the politics that affect them even in the context of a vast global economy and impersonal international forces that sometimes seem out of control filled with idealism yet firmly grounded in current realities global politics as if people mattered is a fresh take on the proper place and potential of individuals in world politics front and center actively engaged in a way of life that is as politically personal as it is politically powerful

american communities are changing fast ethnic minority populations are growing home ownership is falling the number of people per household is going up and salaries are going down according to marc brenman and thomas w sanchez the planning field is largely unprepared for these fundamental shifts if planners are going to adequately serve residents of diverse ages races and income levels they need to address basic issues of equity planning as if people matter offers practical solutions to make our communities more livable and more equitable for all residents while there are many books on environmental justice relatively few go beyond theory to give real world examples of how better planning can level inequities in contrast planning as if people matter is written expressly for planning practitioners public administrators policy makers activists and students who must directly confront these challenges it provides new insights about familiar topics such as stakeholder participation and civil rights and it addresses emerging issues including disaster response new technologies and equity metrics far from an academic treatment planning as if people matter is rooted in hard data on the ground experience and current policy analysis in this tumultuous period of economic change there has never been a better time to reform the planning process brenman and sanchez point the way toward a more just social landscape
